Coalition for Justice - Founding Statement

The **Coalition for Justice** is a dedicated organization striving for constitutional reform, civil rights, political freedom, and human rights. It promotes efforts at Global, Union, and Tamil Nadu levels to establish a just society.

Primary Objectives:

- 1.Constitutional Reform:** To amend constitutional laws to ensure equal rights and protections for everyone.
- 2.Civil and Political Rights:** To support freedom of speech, equality, and personal liberties.
- 3.Freedom for Political Prisoners:** To organize strong campaigns for the release of political prisoners who have been detained unlawfully, subjected to fabricated cases, or have languished in prisons for long durations.
- 4.Prisoners Rights:** To advocate for prisoners' human rights, their access to basic facilities, and processes for rehabilitation.
- 5.International Justice:** To provide unwavering support for justice and human rights at a global level.

This coalition functions with a commitment to uplift the fundamental rights of every individual. Its primary mission is to firmly establish justice in society.

The **Coalition for Justice** serves as a strong voice ensuring freedom, equality, and justice for humanity.
